To Whom It May Concern

05 August 2009

Dear Sirs

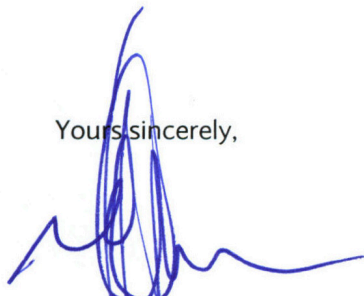

Barclays Bank PLC is more than happy to provide this reference having acted as bankers for Hudson Contract Services Ltd (Hudson's) since its incorporation in March 1997.

Throughout this period of time Hudson's have operated a number of bank accounts with utmost honesty and integrity. Through several audits by the banks senior leadership we have obtained a full appreciation of what the Hudson service entails and have satisfied ourselves as to the nature and integrity of the business.

On a weekly basis we have seen payments made to large numbers of sub operatives totalling in excess of £2.5m and on many occasions over £4m. At no time during our relationship with Hudson's have we had any concerns that these payments would not be made as scheduled.

Barclays Banks PLC regularly refer other clients to Hudson's and would have no hesitation in being able to confirm the financial standing to any prospective client.

Yours sincerely,

Michael Wicks
