## OUR FAVOURITE MP BORIS JOHNSON

**THIS MONTH OUR QUEST TO ADOPT BORIS AS THE AYEUP MP CONTINUES**

what other mp do you know who drives a flash car?

other than the obligatory jag or merc...

### BORIS QUOTE OF THE DAY

"Carpenters. What do they know about beds?"

here at Aye'up we think Boris should become the new leader of the Conservative party and possibly become the all time greatest and funniest Prime Minister !!!

Iain Duncan Smith steps down and reveals his secret plan ..

'Operation Boris'

'if we can get boris into No.10, it will be a monumental day for the people of Great Britain'

**IDS makes way for Boris**

Boris has already made international links with world leaders

Mr President could be in for a little disappointment when he realises Boris is not quite as interested as Tony in his re-election campaign

**WE'RE STILL AWAITING BORIS'S RESPONSE TO OUR PLEA FOR HELP WITH SEAGULLS, SO COME ON BORIS - SHOULD WE SHOOT THEM, FEED THEM ALKA SELTZA (THEY EXPLODE) OR TRAIN FERRETS TO CHASE THEM ???**
