

Hudson Blue: Holiday Pay

Due to changes in the way we have to report PAYE tax and NI, any funds in a Hudson Blue operative's holiday pot must be emptied and paid over before the end of the tax year. We will release any accrued holiday funds with the operatives last payment, on or, before Friday 3 April.

Holiday pay accrues each time a payment for work is made. You can instruct for holiday pay at any time the operative is not at work. Instructing for holiday pay is done in the same way as your normal Hudson Blue instruction.

COVID-19

Even though they are being taxed under PAYE, Hudson Blue operatives are still self-employed so if they are affected by Coronavirus again they should make a claim under Employment and Support Allowance (ESA).

P60's for all Hudson Blue operatives will be sent out after the 6th April directly to the address that we hold for them.
